## Pension Funds Act 24 of 1956 (SA)

([SA GG 5679](#))

brought into force in South Africa and South West Africa  
on 1 January 1958 by SA Proc. 330/1957 ([SA GG 5971](#))

**APPLICABILITY TO SOUTH WEST AFRICA:** Section 1 defines “Union” to include “the Territory”, which is defined as “the Territory of South West Africa”. Section 40 states “This Act shall apply also in the Territory.” Although section 40 did not make amendments to the Act in South Africa automatically applicable to South West Africa, they appear to have applied to South West Africa by virtue of the definition of “Union” in section 1. (The first post-independence amendment to the Act, Act 9 of 1994, supports this assumption by referring to previous amendments made by Act 103 of 1979, Act 86 of 1984 and Act 53 of 1989.)

**TRANSFER TO SOUTH WEST AFRICA:** This Act was administered by the Minister of Finance. Acts administered by the Minister of Finance in the Department of Inland Revenue were transferred to South West Africa by the Executive Powers (Inland Revenue) Transfer Proclamation, AG 18 of 1978, but this Act fell under the Department of Finance at the time, as indicated by government notices pertaining to the Registrar and Deputy Registrar of Pension Funds issued during the 1970s. See, for example, Government Notice 1317/1970 (RSA GG 2768) and Government Notice 1640/1977 (RSA GG 5715). There was no transfer proclamation for laws administered by the Minister of Finance in the Department of Finance.

Act 94 of 1969 was also amended in South Africa by the Legal Succession to the South African Transport Services Act 9 of 1989 ([RSA GG 11743](#)). However, the portions of Act 9 of 1989 which amended Act 94 of 1969 came into force only after Namibian independence, on 1 April 1990, in terms of section 37(2) read with section 3(1) of Act 9 of 1989; the date referred to in section 3(1) was set by RSA Government Notice 578/1990 ([RSA GG 12364](#)) as being 1 April 1990. Therefore, these amendments were not applicable to South West Africa and are not reflected here.

This Act will be repealed by the Financial Institutions and Markets Act 2 of 2021 ([GG 7645](#)), which has not yet been brought into force. Note, however, that Act 2 of 2021 provides for the continued enforcement of this Act to a certain extent, in respect of matters occurring during the period three years before the date on which the relevant provisions of Act 2 of 2021 are brought into force:

“Despite the repeal of the laws referred to in Schedule 2, for a period of three years after the effective date and in respect of a matter that occurred during the period of three years immediately before the effective date, NAMFISA may exercise any power under such repealed law to investigate and prosecute any breach of that law, as if it were proceeding with a complaint in terms of this Act.” (Schedule 3, item 6)

To provide for the registration, incorporation, regulation and dissolution of pension funds and for matters incidental thereto.

(2) If the proposals mentioned in sub-section (1) are not received within the period specified in that sub-section the registrar shall prepare proposals for the apportionment of the assets, rights, liabilities and obligations of that undertaking between the fund and such other business in such a manner as he may with due regard to all the circumstances consider equitable.

(3) The registrar may for the purpose of preparing any proposals under sub-section (2), require any person having control of the undertaking in question, to lodge with him, within such period as he may specify, any information relating to the business or any part of the business which is or has been carried on by that undertaking, including the business of such pension fund, together with such reports by a valuator or (at the discretion of the registrar) by the auditor of that undertaking, as the registrar may direct.

(4) As soon as practicable after having received any proposals under sub-section (1) or after having prepared any proposals as provided in sub-section (2), the registrar shall transmit a copy thereof to the principal officer of the fund and publish at the expense of the fund in the *Gazette* and in at least one English and one Afrikaans newspaper circulating in the district in which the head office of the undertaking is situate, a notice -

- (c) calling upon interested persons to submit to the registrar whatever representations they may deem necessary within the said period of thirty days.

(5) Upon the expiration of the period mentioned in paragraph (c) of sub-section (4), the registrar shall proceed to consider any written representations lodged with him in pursuance of the relevant notice and any oral representations which any person who lodged such written representations or the person having control of the business of the undertaking may desire to submit to him, and shall thereafter approve of the proposals in question as drafted or with such modifications as he may deem necessary.

(6) A decision made by the registrar under sub-section (5) shall be binding upon all persons affected thereby.

No registered fund shall carry on any business other than the business of a pension fund: Provided that the registrar may approve of a fund carrying on such other business on such conditions and for such period as he may determine if the registrar is satisfied that this is necessary in order to safeguard an investment made by the fund.

### Matters to be included in rules

11. The rules of a fund shall be in either of the official languages of the Union and shall contain provision in regard to the following matters, that is to say -

[The term “official languages” refers to the period before independence when English and Afrikaans were both official languages of “South West Africa”. The only official language of Namibia is English (Namibian Constitution, Art 3(1)).]

### **Amendment of rules**

**12.** (1) A registered fund may, in the manner directed by its rules, alter or rescind any rule or make any additional rule, but no such alteration, rescission or addition, shall be valid -

- (a) if it purports to affect any right of a creditor of the fund, other than as a member or shareholder thereof; or
- (b) unless it has been approved by the registrar and registered as provided in subsection (4).

(2) Within one month from the date of the passing of a resolution for the alteration or rescission of any rule or for the adoption of any additional rule, a copy of such resolution shall be transmitted by the principal officer to the registrar, together with a certificate signed by the person managing the business of the fund to the effect that such resolution has been adopted in accordance with the provisions of the rules of the fund.

(5) A registered fund may at any time consolidate its rules, and in such event the principal officer shall forward to the registrar a copy of such consolidated rules and if the registrar is satisfied that the consolidated rules are not substantially different from the existing rules of the fund, he shall register such consolidated rules and return a copy thereof to the principal officer with the date of registration endorsed thereon, and such consolidated rules shall thereupon take effect from the date of registration thereof.

### Amalgamations and transfers

14. (1) No transaction involving the amalgamation of any business carried on by a registered fund with any business carried on by any other person (irrespective of whether that other person is or is not a registered fund), or the transfer of any business from a registered fund to any other person, or the transfer of any business from any other person to a registered fund shall be of any force or effect unless -

- (a) the scheme for the proposed transaction, including a copy of every actuarial or other statement taken into account for the purposes of the scheme, has been submitted to the registrar;
- (b) the registrar has been furnished with such additional particulars or such a special report by a valuator, as he may deem necessary for the purposes of this sub-section;
- (c) the registrar is satisfied that the proposed transaction would not render any registered fund which is a party thereto and which will continue to exist if the proposed transaction is completed, unable to meet the requirements of this Act or to remain in a sound financial condition, or, in the case of a fund which is not in a sound financial condition, to attain such a condition within a period of time deemed by the registrar to be satisfactory;
- (d) the registrar has been furnished with such evidence as he may require that the provisions of the said scheme and the provisions, in so far as they are applicable, of the rules of every registered fund which is a party to the transaction, have been carried out or that adequate arrangements have been made to carry out such provisions at such times as may be required by the said scheme;
- (e) the registrar has forwarded a certificate to the principal officer of every such fund to the effect that all the requirements of this sub-section have been satisfied.

(2) Whenever a scheme for any transaction referred to in sub-section (1) has come into force in accordance with the provisions of this section, the relevant assets and liabilities of the bodies so amalgamated shall respectively vest in and become binding upon the resultant body, or as the case may be, the relevant assets and liabilities of the body transferring its assets and liabilities or any portion thereof shall respectively vest in and become binding upon the body to which they are to be transferred.

(3) The officer in charge of a deeds registry in which is registered any deed or other document relating to any asset which is transferred in accordance with the provisions of sub-section (2), shall, upon production to him by the person concerned of such deed or other document and of the certificate referred to in paragraph (e) of subsection (1), without payment of transfer duty, stamp duty, registration fees or charges, make the endorsements upon such deed or document and the alterations in his registers that are necessary by reason of the amalgamation or transfer.

[Subsection (3) is substituted by Act 81 of 1957.]

(4) A transaction effected in terms of this section shall not deprive any creditor of a party thereto (other than in his capacity as a member or a shareholder of such party) of any right or remedy which he had immediately prior to that date against any party to the transaction or against any member or shareholder or officer of such party.

## CHAPTER IV

### DOCUMENTS TO BE DEPOSITED WITH REGISTRAR

#### Accounts

15. (1) Every registered fund shall, within six months as from the expiration of every financial year, furnish to the registrar a revenue account showing the revenue and expenditure of the fund for that year, and a balance sheet showing the financial position of the fund at the close of that year, duly certified in each case by the auditor of the fund.

(2) Every registered fund shall, when furnishing to the registrar the documents referred to in sub-section (1), also furnish to the registrar -

- (a) a copy of any special report by the auditor relating to any of the activities of the fund during the financial year to which such documents relate;
- (b) a copy of any annual report that the fund may have issued to its members or shareholders in respect of the said financial year; and
- (c) a copy of any other statement that the fund may have presented to its members or shareholders in respect of any of its activities during such financial year.

(3) If the registrar is of the opinion that any document furnished by a registered fund in terms of sub-section (1) does not correctly reflect the revenue and expenditure or the financial position (as the case may be) of the fund, he may reject the said document, and in that event -

- (a) he shall notify the fund concerned of the reasons for such rejection; and
- (b) the fund shall be deemed not to have furnished the said document to the registrar: Provided that in such event the registrar may apply the provisions of section *thirty-three*, even though the period concerned may have expired before application is made for extension.

#### Investigations by a valuator

16. (1) Save as provided in section 17, a registered fund shall, once at least in every three years, cause its financial condition to be investigated and reported upon by a valuator, and shall deposit a copy of such a report with the registrar, and shall send a copy of such report or a summary thereof, prepared by the valuator in a form prescribed by regulation and signed by him, to every employer participating in the fund.

[Subsection (1) is amended by Act 86 of 1984;  
not all changes are indicated by amendment markings.]

(2) Such investigation shall be made in respect of the position as at the expiration of a financial year, and such report shall be deposited with the registrar within twelve months from the close of that year.

**Pension Funds Act 24 of 1956 (SA)**

---

(3) In the case of a fund which is registered on the date of commencement of section 16 of the Financial Institutions Amendment Act, 1984, and which, before that date, has caused its financial condition to be investigated in terms of subsection (1), the first investigation after the said date shall be made in respect of the position as at the expiration of the fifth financial year which is completed after the financial year-end in respect of which the previous investigation was made or as at the expiration of such earlier financial year as the fund may select.

**[Subsection (3) is substituted by Act 86 of 1984.]**

(3A) In the case of a fund which is registered on the date of commencement of section 16 of the Financial Institutions Amendment Act, 1984, but which has not, before that date, caused its financial position to be investigated in terms of subsection (1), the first investigation shall be made in respect of the position as at the expiration of the third financial year which is completed after that date or as at the expiration of the fifth financial year which is completed after the registration of the fund, whichever date is the earlier, or as at the expiration of such previous financial year as the fund may select.

**[Subsection (3A) is inserted by Act 86 of 1984.]**

(4) In the case of a fund other than a fund mentioned in subsection (3) or (3A), the first investigation shall be made in respect of the position as at the expiration of the third financial year which is completed after the date of registration or as at the expiration of such previous financial year as the fund may select.

**[Subsection (4) is amended by Act 86 of 1984.]**

(5) Notwithstanding anything contained in the preceding sub-sections, the registrar may, with the consent of the Minister, and after not less than one month's notice in writing to any registered fund, require that fund to cause such an investigation to be made in respect of the position as at the expiration of any financial year, if the registrar is of the opinion that an investigation would show that the fund is not in a sound financial condition: Provided that in the case of a fund which is carrying out the terms of a scheme approved by the registrar in terms of section *eighteen*, the registrar shall not act in accordance with the preceding provisions, unless he is of the opinion that an investigation would show that such scheme is unlikely to accomplish the objects of that section.

(6) If the rules of a fund provide that the benefits which may become payable to members are subject to the discretion of the management of the fund, the registrar shall, on the request of the fund and subject to the payment by the fund of such expenses as the registrar may incur in the matter, determine what amount or scale of benefits is to be taken into consideration for the purpose of the valuation, and such determination by the registrar shall be binding upon the fund.

(7) A report made by a valuator in terms of any of the preceding subsections shall include, where applicable, the following particulars, namely -

- (a) the number of persons in respect of whom liabilities have been calculated, subdivided into active members, deferred pensioners, and vested pensioners with their corresponding annual pensionable emoluments, annual deferred pensions, and annual vested pensions, respectively: Provided that where the number of active members, deferred pensioners or vested pensioners in any group is less than five, the corresponding annual pensionable emoluments, annual deferred pensions or annual vested pensions, as the case may be, need not be shown;

- (b) (i) a description of the classes of assets held by the fund;
- (ii) the balance sheet value of the nett assets of the fund after deduction of current liabilities and any liability arising from the pledge, hypothecation or other encumbrance of the assets of the fund, together with full particulars of such deductions;

[The word “encumbrance” is misspelt in the *Government Gazette*, as reproduced above.]

- (iii) the actuarial value of these nett assets for the purposes of a comparison with the fund’s accrued liabilities;
  - (iv) a description of the basis employed in calculating the actuarial value of each of the various classes of assets together with adequate particulars of each basis so as to enable an independent valuator to judge the financial soundness of such basis; the nature and amount of any other liabilities and contingent liabilities of the fund;
- (c) (i) the fund’s accrued liabilities, with the same subdivision as contemplated in paragraph (a), but if the number of persons in any group is less than five, such group may be combined with another group, and for the purpose of this subsection “accrued liabilities” means -
- (aa) the actuarial liability in respect of past service benefits of active members, with due allowance for future salary increases where these affect the benefits in respect of past service and with due allowance for increases in pensions or deferred pensions at the rates stipulated in the rules of the fund; plus
  - (bb) the actuarial liabilities in respect of pensions in course of payment and deferred pensions, with due allowance for increases at the rates stipulated in the rules of the fund; plus
  - (cc) any other actuarial liability;
- (ii) a description of the basis employed in calculating the actuarial value of the accrued liabilities together with adequate particulars of the basis so as to enable an independent valuator to judge the financial soundness of such basis;
- (d) a comparison of the actuarial value of assets with the accrued liabilities, on the bases contemplated in paragraphs (b)(iv) and (c)(ii), showing the resultant surplus or deficiency, and in the case of a deficiency, the percentage ratio of assets to liabilities:
- (e) (i) in the case of a deficiency, the causes or probable causes thereof; and
  - (ii) the measures taken or recommended to eliminate any deficiency referred to in paragraph (d) and the expected period within which this will be achieved;
- (f) a comparison of contribution rates recommended for the future with those obtaining immediately before the valuation, subdivided for the various categories of members as appropriate and into rates for members, normal rates for employers to meet liabilities in respect of future service, and special rates for employers to amortize any deficiency as contemplated in paragraph (d), and showing the

expected variations in contributions with the passage of time and the extent to which any surplus as contemplated in paragraph (d) has been taken into account; and;

- (g) such other particulars as the valuator deems relevant for the purposes of this Act.

[Subsection (7) is amended by Act 86 of 1984 and substituted by Act 50 of 1986.]

(8) Whenever a registered fund deposits with the registrar a copy of a report made by a valuator in terms of this section, it shall also deposit with the registrar a certificate by the person managing the business of the fund and by the principal officer that to the best of their knowledge and belief the information furnished to the valuator for purposes of the report was correct and complete in every material respect and, where applicable, that a copy of the report or a summary thereof referred to in subsection (1) was sent to every employer participating in the fund.

[Subsection (8) is amended by Act 86 of 1984.]

(9) The provisions of subsection (3) of section 15 in connection with a document relating to the financial position or the revenue or expenditure of a fund referred to therein, shall apply *mutatis mutandis* in respect of a copy of a report deposited with the registrar in terms of subsection (1) of this section and which in the opinion of the registrar does not correctly reflect its financial condition referred to in the said subsection (1).

[Subsection (9) is inserted by Act 86 of 1984.]

#### **Modifications where investigations by a valuator are unnecessary**

17. (1) If the registrar is satisfied that the financial methods adopted by a registered fund are such as to render periodical investigations by a valuator unnecessary, he shall, at the request of such fund, authorize the fund to prepare and furnish to the registrar a statement of its liabilities and assets in lieu of causing its financial condition to be investigated and reported upon by a valuator in terms of section *sixteen*.

(2) The provisions of sub-sections (2), (3), (4), (5) and (6) of section *sixteen* shall *mutatis mutandis* apply to every fund referred to in sub-section (1) of this section.

(3) Any statement prepared in terms of sub-section (1) shall include the following particulars, namely -

- (a) the nature and amount of the liabilities and contingent liabilities of the fund;
- (b) a full description of each asset held by the fund together with such particulars in respect of each such asset as would enable an independent person to estimate the value of such asset on a sale between a willing seller and a willing buyer: Provided that if a compliance with the requirements of this paragraph would result in unduly voluminous returns, the fund concerned may group various classes of assets together, or otherwise abridge the statement in such manner as the registrar may approve;
- (c) the basis of valuation of each of the various kinds of assets adopted for purposes of the statement;
- (d) the aggregate value placed on the assets for purposes of the statement; and

**Pension Funds Act 24 of 1956 (SA)**

- (e) particulars of any pledge, hypothecation or other encumbrance of the assets of the fund
- (4) The said statement shall be accompanied by a report thereon by the auditor of the fund, and the said auditor shall in his report state -
- (a) in what manner and to what extent he has satisfied himself as to the amount of the liabilities and contingent liabilities shown on the statement;
- (b) in what manner and to what extent he has satisfied himself as to the existence of the assets shown on the statement;
- (c) to what extent he has satisfied himself that the particulars of such assets which are shown on the statement are correct;
- (d) whether or not in his opinion the basis of valuation of each of the various kinds of assets adopted by the fund is financially sound;
- (e) whether or not, in his opinion, the fund is in a sound financial condition;
- (f) if he is of the opinion that the fund is not in a sound financial condition -
- (i) in what respects the condition of the fund is in his opinion unsound; and
- (ii) the causes or probable causes of such unsoundness;
- (g) such other particulars as he deems relevant to the purposes of this Act.

**Fund not in a sound financial condition**

**18.** (1) When any return under this Act indicates, in the opinion of the registrar, that a registered fund is not in a sound financial condition, the registrar shall, save as provided in section *twenty-nine*, direct the fund to submit a scheme setting out the arrangements which have been made or which it is intended to make to bring the fund into a financially sound condition within a reasonable period, and the fund shall deposit such scheme with the registrar within three months from the date of receipt of the said direction, together with a report thereon by a valuator or, in the case of a fund to which the provisions of section *seventeen* apply, by the auditor of the fund.

(1A) When any return under this Act indicates a deficiency in a registered fund, the fund shall, within three months from the date of such return, submit a scheme to the registrar setting out the arrangements which have been made or which it is intended to make to eliminate the deficiency, together with a report thereon by a valuator.

[Subsection (1A) is inserted by Act 50 of 1986.]

(2) If the registrar finds that a scheme submitted in terms of subsection (1) or (1A) is not inconsistent with the provisions of this Act and is satisfied that the arrangements set out therein should suffice to accomplish the objects of this section, he shall approve the scheme.

[Subsection (2) is amended by Act 50 of 1986.]

(3) If the registrar is not satisfied regarding the matters referred to in subsection (2), he shall request the fund to make such amendments to the scheme, or to submit such new scheme, as will enable him to be so satisfied, and the fund shall comply with the request within a period

**Pension Funds Act 24 of 1956 (SA)**

prescribed by the registrar, not being less than 30 days from the date of the request, and shall at the same time furnish to the registrar a report on such amendments or such new scheme by the valuator or auditor mentioned in subsections (1) and (1A), and the provisions of subsection (2) shall apply to any such amended scheme or new scheme which the fund may submit.

**[Subsection (3) is amended by Act 50 of 1986;  
not all changes are indicated by amendment markings.]**

(4) The fund shall carry out the terms of any scheme approved by the registrar under this section: Provided that -

- (a) the registrar may, if he is satisfied that none of the objects of this section would be thereby prejudiced, permit the said fund to amend such scheme from time to time;
- (b) if any return deposited with the registrar during the currency of such scheme in terms of this Act shows, in the opinion of the registrar, that the scheme is unlikely to accomplish the objects of this section, he may withdraw his approval of the scheme, and the fund concerned shall, within three months thereafter, prepare a further scheme, to which the provisions of this section shall apply; and
- (c) if any such return shows, in the opinion of the registrar, that the financial condition of the fund is no longer unsound, he shall communicate with the principal officer of the fund to that effect and on receipt of such communication the obligations of the fund in respect of that scheme shall terminate immediately.
