

## CREDIT BUREAUS INDUSTRY COMMENTS ON FIMA GENERAL STANDARD 10.10-2024 (OUTSOURCING OF FUNCTIONS AND RESPONSIBILITIES BY FINANCIAL INSTITUTIONS AND FINANCIAL INTERMEDIARIES)

| Company<br>Name:                              | STD/REG No. & Section/Clause: | Comment/Description of issue:   | Proposed Amendment/Solution:  | Accepted<br>(Comments) | Rejected<br>(Comments)   |
|---|-------------------------------|---|---|------------------------|--|
| Credit Info<br>Bureau<br>Namibia<br>(Pty) Ltd | 3                             | A financial institution or financial intermediary may not outsource its principal business.   | As a credit bureau, several services / solutions are outsourced and not developed in-house. Please clarify.                         |                        | We appreciate the time taken to provide comments.  |
|   | 4 (2)                         | The board and senior management of a financial institution or financial intermediary must designate employees responsible for continuously identifying, reporting and mitigating risks strategies of outsourced activities. | Does this need to be reported to NAMFISA or for internal reference only? If needed to be reported to NAMFISA, steps to be provided. |                        | We wish to clarify that the Outsourcing Standard applies to financial institutions and financial intermediaries regulated by NAMFISA. Since credit bureaus are not |
|   | 4 (3)                         | The designated employees referred to in sub-clause (2), must timeously inform the board and senior management of the financial institution or financial intermediary about those risks.                                     | Please clarify frequency of reports and what format / template its required including contacts to be shared with.                   |                        | within NAMFISA's regulatory ambit, , the Outsourcing Standard is not applicable to credit bureaus.   |
|   | 11 (2)                        | Where confidential information and data related to the financial  | Further clarity to be provided to what extend the measures need to  |                        |  |

|        |                                    |                                     | <br> |
